Software Solutions – Products

A robust Electronic Timesheet/Absence Management System developed by MAVENTEQ which eliminates the inefficiencies, costs and delays associated with manually accounting for the number of days worked by employees. Used by Total to deliver the Egina Project.

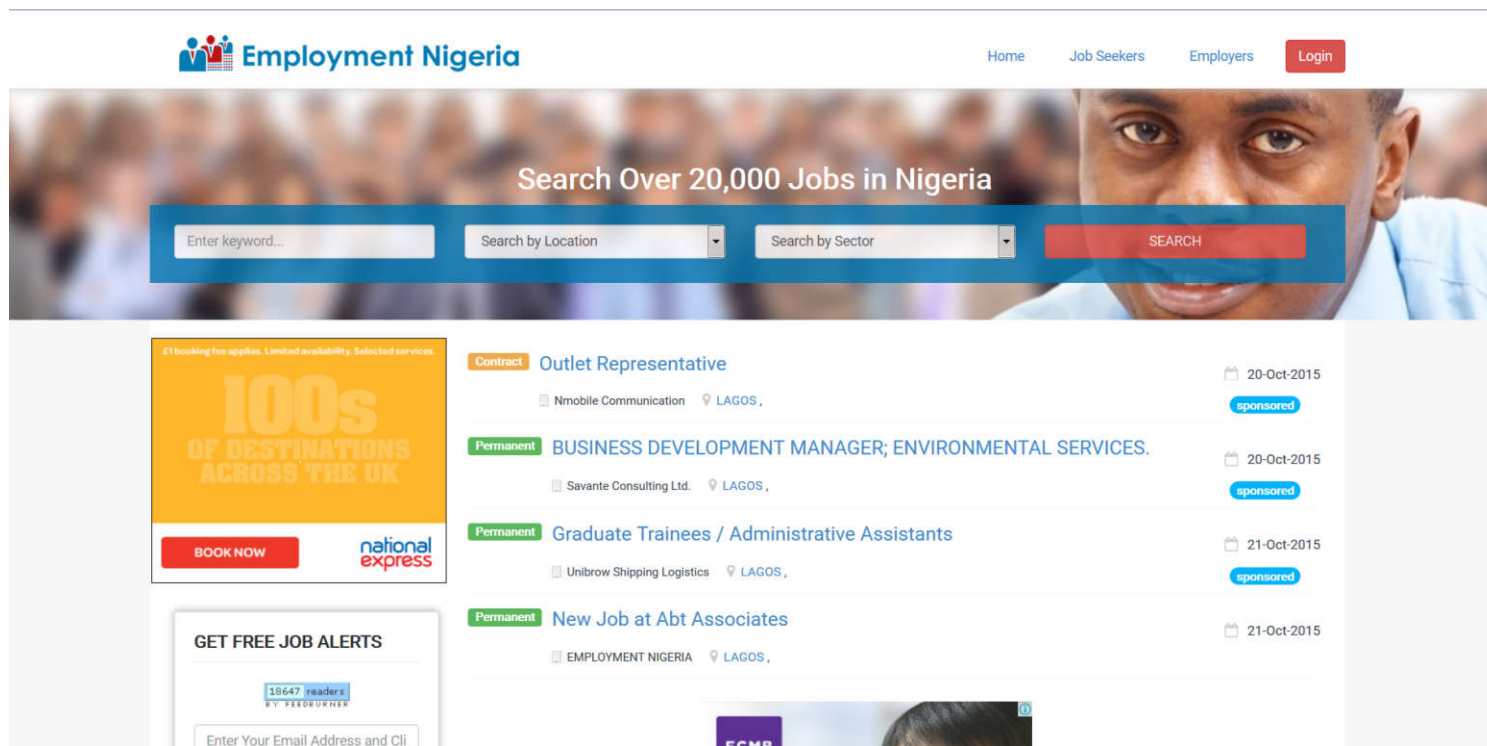

A Supplier Management Software designed to effectively manage all the vendor/supplier information of an organization but also includes the unique capabilities of equitably generating a bidders list and also monitoring the performance of vendors.

The logo for Employment Nigeria, showing three stylized human figures in blue and red above the text 'Employment Nigeria' in a bold, blue font.

Employment Nigeria

One of Nigeria's largest online career portal which creates an interface between jobseekers and employers. www.employmentnigeria.com

A screenshot of the Employment Nigeria website. The header includes the logo, navigation links for Home, Job Seekers, Employers, and a Login button. The main banner features a search bar with the text 'Search Over 20,000 Jobs in Nigeria' and a 'SEARCH' button. Below the search bar, there are several job listings with details such as contract type, job title, company name, and location. On the left side, there are promotional banners for National Express and a job alert sign-up form.

TestOnion

A robust online candidate testing portal which enable employers conveniently assess and select the best candidates. www.testonion.com

The screenshot shows the TestOnion website homepage with a dark blue background. At the top left is the TestOnion logo. The navigation menu includes links for Home, How it works, Benefits, Industries, Pricing, Contact, Login, and a green Register button. The main content area features the text "Remove all the hassle in your search for candidates!" followed by the headline "Conveniently schedule tests for candidates to take online." Below this are two buttons: "Get Started" (green) and "How it works" (white with blue border). On the right side, there is an illustration of three people (two men and one woman) in a meeting around a table with a laptop, surrounded by various business icons like charts, gears, and a clock.
